

HOW DOES *stmellionCosmeiticClinic Botox for Life* scheme WORK?

stmellionCosmeticClinic is a pre-payment scheme, tailor-made to provide you with the most beneficial treatments when they are needed. This not only saves money but enables the planning of your treatments for better long term results. You will save at least 10% on all the treatments chosen for your plan, plus savings on additional treatments and skin care products.

Your practitioner will tailor-make a plan for your optimum skin treatment and you pay monthly by standing order, spreading the cost with the benefit of an average saving on medical skin treatments of up to 20%.

ARE THERE ADDITIONAL BENEFITS?

Most *stmellionCosmeticClinic* botox for life include discounts on cosmeceuticals and cosmetics that are supplied by your practitioner, and even discounts on treatments not covered by the plan.

WHAT HAPPENS WHEN MY NEEDS CHANGE?

Your doctor can modify your personal plan annually, this means that innovative new treatments can be included or different techniques can be used as your skin changes over time. You will be able to benefit from the latest treatments that are used at the clinic.

Bronze: £56 per month – Botox three areas 3 treatments over 12 months plus 10% off additional treatments and procedures
